Holdings	5,520
Items Checked Out	4,634
e–books & AudioBooks Checked Out	338
Free Wireless Connections	22,854
Website Visits	37,640

We Are Grateful for your support. The library uses donations from the community to offer our holdings, programs, and services to all. One of the most effective ways of support is through Mannsville Free Library's dedicated endowment fund at **Northern New York Community Foundation**, *https://mannsvillelibrary.org/nnycf-endowment-fund/*

Mannsville Free Library is a friendly face. It is community.

As of January 2025 Mannsville Free Library has a new director. Mannsville's own Anne Fuller's fresh take on the position emphasizes modernizing our collection—especially our young adult, children's, and New York State sections.

As a mom, Anne is especially in-tune to the needs of Mannsville's school-aged patrons. During school breaks and vacations she plans different library activities specifically for that population. During February and April vacations the library hosted a silent bookclub, puzzle and board games days, and other activities all week long.

Regarding programming, in response to patrons' requests, Anne introduced the "What's Up Wednesdays" adult program hour as an after-work time for grown-ups to gather and share their interests and hobbies, and to learn a little something in the process.

Anne believes the library is more than just a repository for books. It is digital, educational, and interactive. It is a place where questions get answered. And some days, it's a place to just sit down and warm up or cool off.

***Our Board:** President Anita Jones, Vice President Tina Rogers, Treasurer Andy Zuber, Secretary Jessica Marrin, Trustees Amy Hatch, Lacy King, Tiffany Graves*
